Pastor's column

A year already!?!?!?

Pastor Jacob Brimm

Can you believe it has been a year already? February marks the one-year mark since I began serving here at Byromville Baptist Church. Looking back it seems to me that this past year has flow by in a whirlwind!

Let me begin with this: Jeanie and I feel so very blessed to be a part of this wonderful community. After traveling this nation over in the military, we can easily say that this is, by far, the most loving, embracing, friendly, and entertaining church family that we have ever witnessed, and being invited to be part of the family was an absolute blessing! The love that has been extended to us on a regular basis is humbling in so many ways. I think Jeanie's favorite part is when a conversation is struck up about things before our time and someone says that it just feels like she has always been here. It is little things like this that mean so much.

I believe that the first year was a wonderful year, but as good as the first year was, I have no doubts that this year will be even better! As I look ahead to the events on the horizon, we have a busy year! The Valentines Banquet is looking good and approaching fast, Easter and our sunrise service will mark the completion of the Baptist Faith and Message series, as well as kick off our jump into Genesis and Creation; the packages for Vacation Bible School are already arriving, and the Celebrate Jesus Revival at the end of July has already reached the planning phase. Before you know it Toyland Concert will be here, and then Christmas and a whole new year, and these things are not the only events we have planned! It is easy to see how the year can be overwhelming if we were to look at it all at once and wonder how we will get anything done for the glory of Christ, much less all of it done for His glory.

The Bible says, "Even the youths shall faint and be weary, and the young men shall utterly fall, but those who wait on the Lord shall renew *their* strength; they shall mount up with wings like eagles, they shall run

and not be weary, they shall walk and not faint". We can accomplish the things that have been placed upon our heart because we have the support and strength of the Lord Almighty! As we seek to do His will, and pray for His support, He will renew our strength and we will soar through by His power!

I encourage you not to look at things and get discouraged, but look at things and get encouraged because when it seems difficult or impossible, remember that His glory shines even brighter in the midst of our weakness!

It is going to be a fantastic year!

In Christ,
Jacob

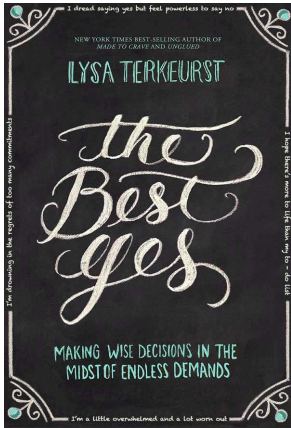

January's Special Fifth Sunday Night Service will feature Madilynn Rae Thompson in concert. Madilynn has sung at our Toyland Concert the last two years. She has a fantastic voice. She is the daughter of Marci and Al Thompson and the granddaughter of Dianne Thompson.

After the concert, we'll enjoy a fellowship time in Saliba Hall with light refreshments.

Congratulations to our pastor for earning his Masters of Divinity from Liberty University!

New women's Bible study begins February 7

Are you living with the stress of an overwhelmed schedule and aching with the sadness of an underwhelmed soul?

Best selling author Lysa TerKeurst is learning that there is a big difference between saying yes to everyone and saying yes to God. In *The Best Yes* she will help you:

- ◆Cure the disease to please with a biblical understanding of the command to love.
- ◆Escape the guilt of disappointing others by learning the secret of the small no.
- ◆Overcome the agony of hard choices by embracing a wisdom based decision-making process.
- ◆Rise above the rush of endless demands and discover your best yes today.

This study will kick off on February 7 at 6:00 p.m. If you are interested in participating, please sign up on the sheets on the bulletin boards.
