## Are we peculiar?

**Andy Blankenship**

In 1 Peter 2:11 the people of God are referred to as “aliens and strangers” in this world. Jesus taught that Christians are to “be in the world but not of the world.” Yet as one looks at the church there is no denying that Christians don’t live like aliens and strangers. According to a Gallup poll the evidence seems to indicate that there are no clear behavioral patterns that distinguish Christians from non-Christians in our society. We all seem to be marching to the beat of the same drummer, looking to the shifting standards of the culture for our views of what is acceptable.

From my studies on The 10 Commandments these past months my heart’s conviction is that a pattern of cultural ethics and morals can only come in a society or church where the law of God is eclipsed. They are eclipsed due to biblical malnourishment in the people of God. In the simplest of terms, we are not reading the Bible, and we are not on our face in humble prayer. Some may ask, “Why do we need the law if we are under grace?” The answer I believe is tucked away within the context of the 10 Commandments themselves.

God called a nation to Himself to be His treasured possession—to exist in a special relationship with Him for His glory. The commandments were given to Israel in order to reveal God’s character and goodness but also to give them an identity as they were about to inhabit a land filled with pagans. God was preparing them to be in the world but not of the world.

For the sake of this short article, I will not walk through each of these commandments again. You can get a copy of the sermons for that. However, I will say this: God perfectly reveals how we should view and respond to Him. He also reveals how we are to view and respond to people. As we do these things,

our identity in Christ is shown, thereby validating the words that come out of our mouths pertaining to the Gospel.

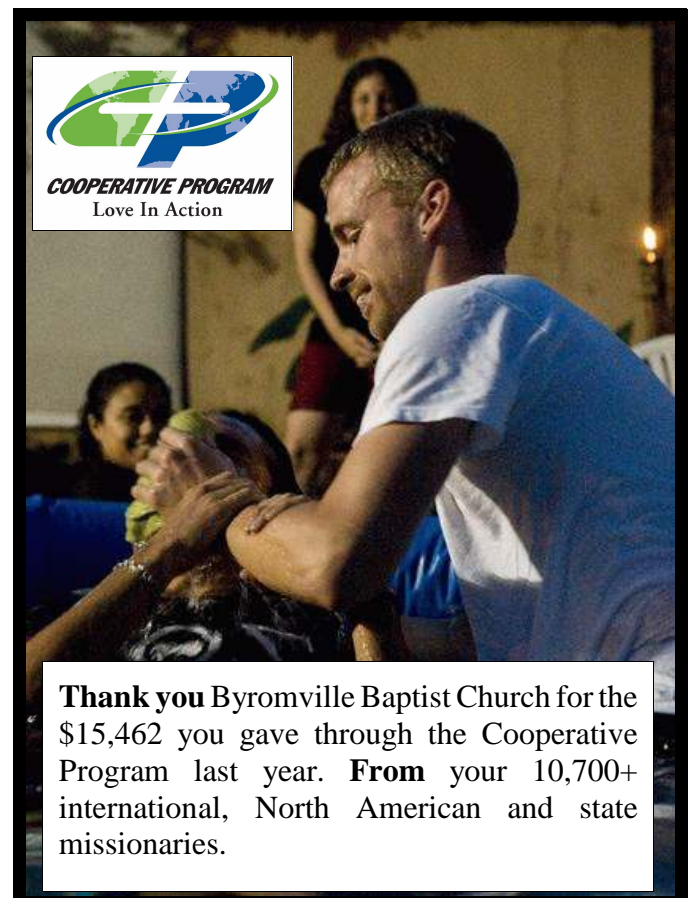

I don’t claim to have all the answers. As a matter of fact, I have more questions than I do answers. However, I know that many “believers” are biblically illiterate and spend very little if any time preoccupied with the glory of God in their lives. My encouragement for you all is to meditate on Psalm 119. I want a heart like that of the psalmist; a heart that loves the laws of God and a mind that is set on obeying them. I want to be a stranger and an alien!

Because He lives,  
Andy

## October is World Hunger Month

☹️ 1.02 billion people in the world do not have enough to eat. This means one sixth of humanity is undernourished.

☹️ Hunger and malnutrition are still the number one risks to health worldwide.

☹️ Every day, almost 16,000 children die from hunger-related causes - that's one child every 5 seconds.

☹️ In 2008, nearly 3 million children died before they reached their fifth birthday due directly or indirectly to hunger and malnutrition.

☹️ It is estimated that 684,000 child deaths worldwide could be prevented by increasing access to vitamin A and zinc.

☹️ 49 million Americans struggle with hunger, including 17 million children. That means 1 in 6 people do not get enough food to be healthy.

☹️ An estimated 35% of poor families in the U.S. are forced to choose between buying food and paying their rent or mortgage.

☹️ Nearly half of all families headed by a single mother are food insecure.

☹️ In our nation's cities, 1 in every 4 people in a soup kitchen line is a child.

☺️ The cost of a meal at a Southern Baptist hunger ministry averages 30 cents per meal.

☺️ 100% of all contributions to the Southern Baptist World Hunger Fund go to feed hungry people. Personnel are already in place; thus, administrative and promotional costs are borne out of other budgets.

☺️ In 2009, Southern Baptists gave \$5,036,025 to the World Hunger Fund.

☺️ In 2009, Southern Baptist hunger ministries fed more than 5 million meals to the hungry in North America. As a result, more than 36,000 professions of faith were reported.

☺️ Southern Baptists' gifts for world hunger provided for projects in more than 68 countries in 2008.

### Luscious Pumpkin Layer Cake

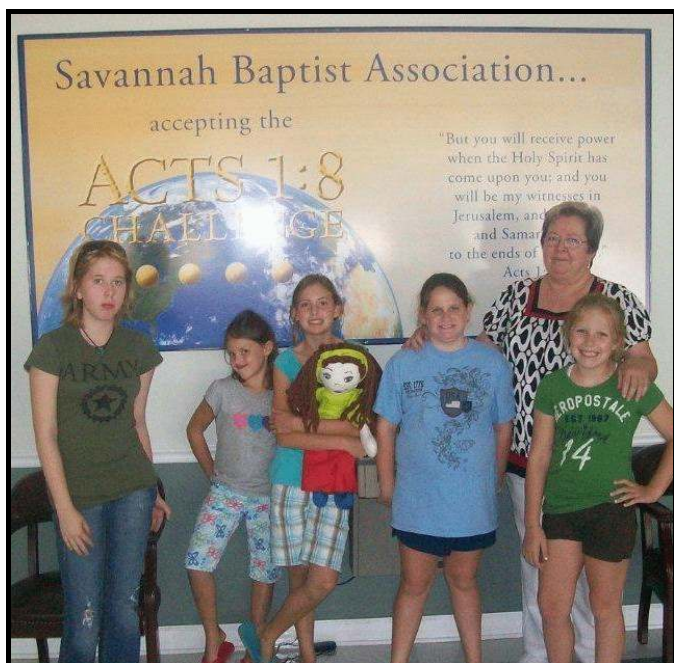

1 pkg. (2-layer size) yellow cake mix  
1 can (15 oz.) pumpkin, divided  
1/2 cup milk  
1/3 cup oil  
4 eggs  
1-1/2 tsp. pumpkin pie spice, divided  
1 pkg. (8 oz.) cream cheese, softened  
1 cup powdered sugar  
1 tub (8 oz.) Cool Whip Whipped Topping, thawed  
1/4 cup caramel ice cream topping  
1/4 cup chopped pecans

Preheat oven to 350°F. Beat cake mix, 1 cup pumpkin, milk, oil, eggs and 1 tsp. spice in large bowl until well blended. Pour into 2 greased and floured 9-inch round pans. Bake 28–30 min. or until toothpick inserted in centers comes out clean. Cool in pans 10 min. and then on wire racks completely.

Beat cream cheese in medium bowl until creamy. Add sugar, remaining pumpkin and spice; mix well. Gently stir in Cool Whip. Cut each cake layer horizontally in half with serrated knife; stack on serving plate, spreading cream cheese filling between layers. (Do not frost top layer.) Drizzle with caramel topping just before serving; top with nuts. Refrigerate leftovers.

## Community choir to sing at *Christmas in the Park*

A Byromville Community Choir will provide the entertainment at this year's *Christmas in the Park* on December 4 at 5:30 p.m. Or at least that's the plan. First we have to form a community choir, which is where you come in. We need people in our community to volunteer to join this choir and commit to two or three practices so the choir can sing two or three Christmas songs at our *Christmas in the Park*.

Mary Jo Jeter will be our choir director, and times and places for the choir practices will be forthcoming so be listening out. We will post downtown near the post office and on the Turkey Creek Festival website and Facebook page. For more information, contact Brenda Lockerman or Mary Jo Jeter.
