## Dream BIG

Pastor Jacob Brimm

It's September already! A time for new beginnings in many ways. New season, new materials, new teachers, new workers, and new ministries! There is no doubt in my mind that this is going to be a BIG year!

Big. . . I like that word. I am a BIG dreamer; by that I mean that I dream *BIG!* I dream dreams so big that the only way they could possibly come true is with the assistance of someone so big that they would have to be supernatural. I dream of reaching more people than we have pews, of having so many youth that we need more teachers, of Sunday school being so full we need new buildings, of doing missions, in short: I dream of changing the world for Christ.

You know who else dreamed BIG? Paul. Paul tells us that he dreamt big, so big in fact that he never finished his dream because his life was not long enough to finish it. Reading Romans 15:22-29 gives us a glimpse of Paul's dream. He wanted the entire world to know Jesus, and that is exactly what he set out to accomplish. You can easily find a map of his journeys, his mission. When looking at it there is no doubt that he was a man on a mission, a man with a dream. His ultimate earthly goal: reach Spain. Why Spain? Paul wanted to reach Spain because at the time Spain represented the ends of the known world! IT was the end of the Roman Empire, and for most people that meant the known world. Talk about dreaming BIG! Once Paul was converted he was on *fire* for Jesus and wanted to share Him with everyone. Paul had passion!

As we enter this New Year, take a chance. What are you dreaming of? Dream BIG for God!
